April 12, 2021

Dear Families,

Welcome to Twinfield Union School! In past years, the kindergarten team hosted a Parent Information Meeting to share information about the kindergarten screening process, the visitation day as well as the kindergarten program. Due to Covid-19, we are unable to host an in-person meeting again this school year. I hope this letter will answer some of your questions and alleviate some of your concerns about your child transitioning to kindergarten.

We will not have a kindergarten screening or visitation day this year. Most of the children currently enrolled in our preschool have already gone through a screening to enter preschool and we felt like it was not necessary to screen children again before entering kindergarten, especially since there is only one kindergarten classroom at this time. I meet with both preschool teachers to receive information about the children. The types of information I receive from them are your child's strengths, challenges, and how they progressed throughout the preschool years. Please fill out the parent information sheet about your child's strengths and challenges that you see at home. I will use this information to plan for the following year.

We are unable to participate in a visitation day this year due to Covid-19. Many of your children see me regularly at school in passing and have seen the classroom. If your child is new to Twinfield, we can set up a time to meet one another and to see the classroom.

I don't know what the next school year will bring. I will be sure to send an updated letter prior to the start of the school year with important information regarding the kindergarten program and daily schedule. If you have questions or concerns, please reach out to me directly at rebecca.emerson@ccsuvt.net or call me at 802-426-3213 x274.

I look forward to working with your children next school year! Stay safe and healthy!

Warm Wishes, Rebecca Emerson
